**At Scottsdale Executive Flight Training, you only pay for what you actually use.**

**No bundled costs, no surprises—just a straightforward, cost-effective way to fly at your own pace. Fly smart, train efficiently, and get the most value in our well-maintained aircraft.**

***The lowest costs in Scottsdale!***

This rating assumes a total of 50 hours of cross-country Pilot-in-Command time has been completed or will be completed by the flight exam.

This cost estimate assumes the minimum flight hours required by FAA Regulation.

The cost of fuel is subject to change at any time and will match our provider's retail fuel cost.
